

# TUTORIAL MEMBUAT AKUN GITHUB

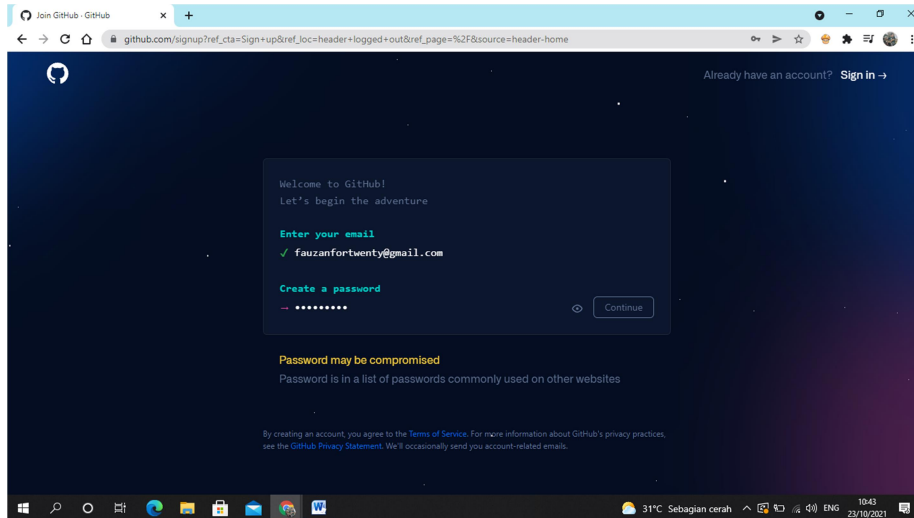

1. Buka github.com pada browser anda, lalu klik tombol 'Sign Up'.

2. Masukkan email anda form yang telah di sediakan, lalu klik 'Continue'.

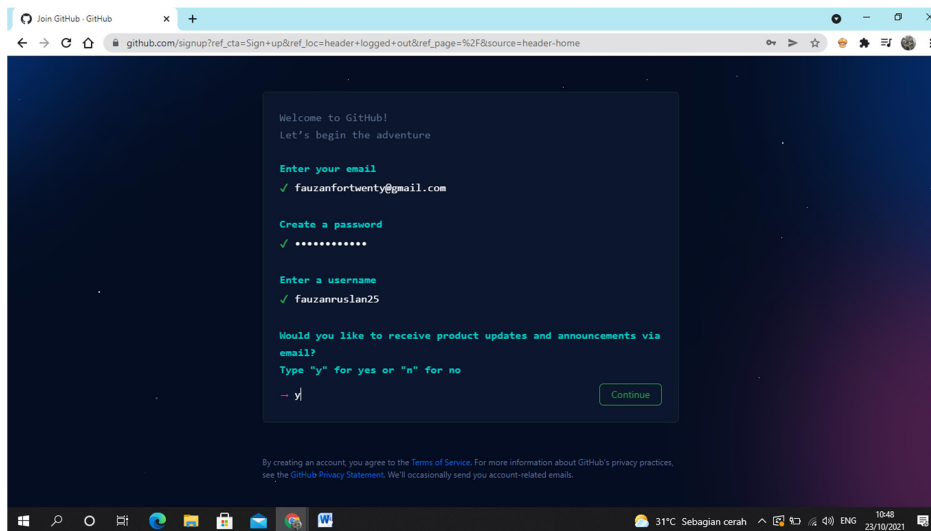

3. Masukkan password anda pada form berikutnya, lalu klik 'Continue'.

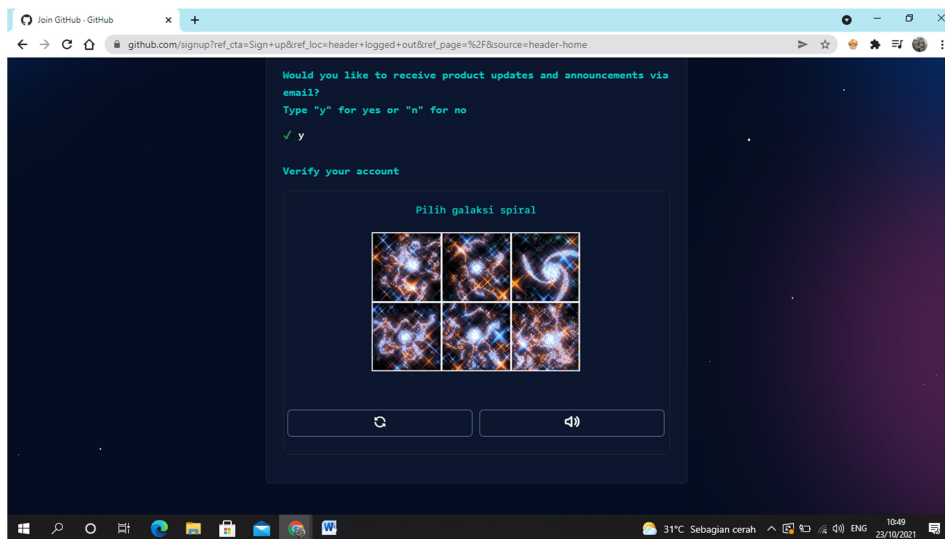

The screenshot shows the GitHub sign-up page. The browser address bar displays the URL: `github.com/signup?ref_cta=Sign+up&ref_loc=header+logged+out&ref_page=%2F&source=header-home`. The page has a dark blue background with a white GitHub logo in the top left. In the top right, it says "Already have an account? [Sign in](#)". The main content area is a white box with the text: "Welcome to GitHub! Let's begin the adventure". Below this, there are two input fields: "Enter your email" with a green checkmark and the email `fauzanfortwenty@gmail.com`, and "Create a password" with a green checkmark and a masked password `*****`. A "Continue" button is to the right of the password field. Below the input fields, a warning message says "Password may be compromised" and "Password is in a list of passwords commonly used on other websites". At the bottom, there is a small text: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails."

4. Masukkan username baru anda pada form berikutnya, lalu klik 'Continue'. Kemudian masukkan 'y' pada form berikutnya, lalu klik 'Continue'.

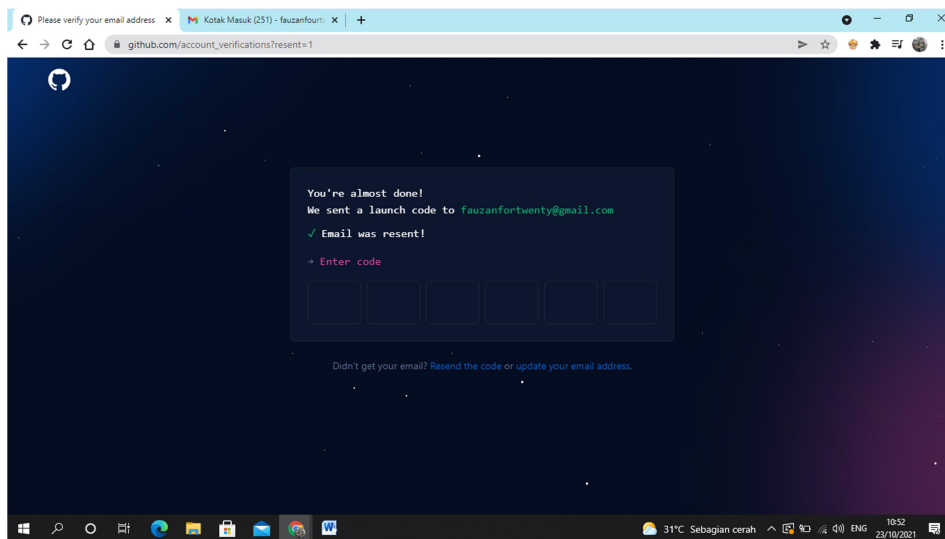

The screenshot shows the GitHub sign-up page after the password step. The browser address bar displays the URL: `github.com/signup?ref_cta=Sign+up&ref_loc=header+logged+out&ref_page=%2F&source=header-home`. The page has a dark blue background with a white GitHub logo in the top left. In the top right, it says "Already have an account? [Sign in](#)". The main content area is a white box with the text: "Welcome to GitHub! Let's begin the adventure". Below this, there are three input fields: "Enter your email" with a green checkmark and the email `fauzanfortwenty@gmail.com`, "Create a password" with a green checkmark and a masked password `*****`, and "Enter a username" with a green checkmark and the username `fauzanruslan25`. Below the username field, there is a question: "Would you like to receive product updates and announcements via email?" and a prompt: "Type 'y' for yes or 'n' for no". The input field contains the letter 'y'. A "Continue" button is to the right of the input field. At the bottom, there is a small text: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails."

5. Lakukan verifikasi, kemudian klik 'Create Account'.

6. Lanjutkan dengan memasukkan code verifikasi yang anda pada email.

## 7. GitHub anda telah siap digunakan.
